

FOR STUDENTS: DURING YOUR VISIT

Examining The Evidence:

Find the round table labeled “Examining the Evidence” in the first section of the hall. Observe and touch the three feet. How are they similar? Different? Write your observations below. Do the same with the two jaws.

Feet: Similar: _____

Different: _____

Jaws: Similar: _____

Different: _____

Draw Cave Art:

Observe the cave wall above the back entrance. Sketch the art below or on the back of this paper. Why do you think ancient people painted this cave art?

Diorama Scenes:

Choose your favorite diorama scene. Observe what the figures are doing and where they live. Pick two questions you can answer from this scene:

NAME OF DIORAMA SCENE: _____

How do they get their food? _____

What is their shelter? _____

Are they wearing clothes? What does this tell you about the place they live? _____

What do they use tools for? _____

What dangers do they face? _____
