

FAQs for Applicants to the RGGS Ph.D. Program in Comparative Biology and the RGGS Graduate Fellowships

APPLICATION SUBMISSION

The internet links in the instructions do not open. What should I do?

Copy and paste the link that does not open to a new web browser and press Enter. Google Chrome and Mozilla Firefox are the most compatible browsers with our system.

I cannot upload my documents. What should I do?

You will not be able to view and upload the required documents until you submit the completed online application form at Step 8. If you submit the application at Step 8 and still cannot upload your documents, contact us at admissions-rggs@amnh.org.

I received an email message that I am a “duplicate.” What does that mean and what should I do?

That means your name appears in our system as someone who applied previously to a program at the Richard Gilder Graduate School. We will clear your record and notify you within 1-2 days that this is done. You will then be able to continue to submit your application.

I want to apply to both the PhD Program in Comparative Biology and the Graduate Fellowship program. Are there two separate applications?

No, there is one application you submit (apply through the Comparative Biology program); indicate on the application cover page form which program you are applying to (you may indicate both).

What additional documents can I submit in the “Supporting Documents” section?

We will accept any documents (in one pdf file) that you think will support your application (e.g., publications), however, please do not submit a 4th letter of recommendation.

ELIGIBILITY

What is the minimum required GPA to apply?

There is no minimum requirement.

What is the minimum required score for the GRE exam or the GRE Subject exam?

There is no minimum requirement.

My TOEFL or IELTS exam score is below the minimum required. Can I still apply?

Yes, but keep in mind you will be competing against applicants with higher scores. You can retake the exam and submit the new score if it will be received by us by December 31.

I am an international student (not from the UK, Australia, New Zealand, Canada or Commonwealth Caribbean countries) and I am currently enrolled in a college/university program in the USA (or in one of those countries). Is that enough to demonstrate my English Language proficiency?

No, you must have both studied and earned a degree in one of those countries. If you have not yet earned a degree, you must take the TOEFL or IELTS exam.

ENTRANCE EXAMS

**I just took the GRE or TOEFL/IELTS exam. What is the deadline to submit my scores?
OR**

I'm not happy with my GRE score. Can I take the exam again and will you accept the new score?

We must have the scores by December 31 to proceed with your application; we will accept an unofficial copy by that date, with the official copy due by January 15.

LETTERS OF RECOMMENDATION

My reference is away and cannot submit the letter of recommendation by the deadline. What should I do?

We must have your letters of recommendation by December 31 at the latest. If your recommender cannot make that deadline, choose another recommender to write on your behalf.

Can I have an AMNH curator/professor write a letter of recommendation for me?

It is highly preferable that letters come from faculty or other experts beyond the AMNH curatorial faculty. If it is impossible for a third recommender from outside the Museum curatorial faculty submit a letter of recommendation on your behalf, you may have an AMNH curatorial faculty member do so.

Can I submit a fourth letter of recommendation?

No

Did you receive my letters of recommendation?

Return to the online application document center and go to "View Previously Submitted Documents" where you will see if your letters have been received. They are numbered 1 – 3, in the order in which you entered the names and emails. You will not be able to open and read the letters but you will be able to see if they have been received.

WHAT HAPPENS AFTER I APPLY?

I submitted my application; when will I hear back?

The earliest we will notify you will be by mid to late January if you have been selected for an interview.

INTERVIEWS

**When are the interviews? What if I am not available then or cannot travel to New York?
Will accommodations be provided and the cost of travel covered?**

Interviews are usually in early to mid-February. If you absolutely cannot attend on-site during the scheduled interview dates, we will arrange for alternative options (different dates, Skype, etc.). Accommodations, meals, and travel expenses will be covered by RGGS.
