

ENDANGERED!

gray wolf

HABITAT BOX: The place where a plant or animal lives, and where it can find all the things it needs for survival.

**YOUR HABITAT IS IN GOOD SHAPE.
TAKE AN EXTRA TURN.**

START

Same air,
same water,
same earth:
We're all in
this together

Where in the woods
if you quietly stood
could you contact
a caribou?

See
Threatened
Box

For Your Information:

**HABITAT
DESTRUCTION**
is the transformation of
natural environments
into sites for human
activities.

A tiger hunts by ambush.
Its stripes help
camouflage it so it
can hide in tall

The gila monster is the
largest lizard in North
America. Its scientific name is
Heloderma suspectum
suspectum.

For Your Information:

**INTRODUCED
SPECIES**

is a plant or animal
brought into a habitat
where it did not
