

# Hall of Saurischian Dinosaurs

## How did dinosaurs get food?

### INSTRUCTIONS

1. **Pick** a dinosaur in the hall.
2. **Write** its name at the top of the box.
3. **Look** at its fossil closely. Think about:
  - How do you think this animal got food?
  - What body part do you think helped this animal get food?
4. **Sketch** one of its body parts that helped the dinosaur get food.
5. **Note** in your sketch how the dinosaur used this body part to get food.
6. **Repeat** steps 1–4 for another dinosaur.

---

### TALK ABOUT IT!

Talk to a partner or partners about what you noticed, observed, and sketched.
