

American Museum
of **Natural History**

Department of Invertebrate Paleontology

Specimen Data Request Form

This form must be completed by researchers requesting specimen data.

Applicants must read and agree to the Terms and Conditions before submission.
Student requests must be submitted by their academic advisor.

Forms must be returned to Museum Specialist Peter Daly (pdaly@amnh.org) at least four weeks before the data are required.

Terms and Conditions

1. Data are provided solely for the approved research project and are not transferrable.
 2. Commercial use, redistribution and repackaging of the data is prohibited
 3. The American Museum of Natural History makes no warranties regarding the accuracy or completeness of the data and disclaims all liability to the fullest extent permitted by applicable law
 4. The American Museum of Natural History must be acknowledged as the source of the data in any resulting publications
 5. Copies of any and all publications that result, in whole or in part, from any studies that include AMNH specimens should be emailed to collections staff.
6. Additional terms and conditions specified by the Curator-in-Charge (if applicable)
