

The 10th Annual Student Conference on Conservation Science- New York

October 2–4, 2019

American Museum of
Natural History
New York, NY

Are you a student, post-doc, or early career professional in a conservation related field?

Come meet and exchange ideas with the next generation of conservation professionals at the 2019 Student Conference on Conservation Science-New York!

- Present and get feedback on your research from leading conservation professionals
- Develop meaningful relationships that lead to collaborations and inspire further research
- Connect with peers and professionals in research, policy, and management from around the world
- Attend workshops on a range of cutting-edge conservation topics
- Explore future opportunities at the Resource & Career Fair

**Abstract submissions accepted
March 1–April 8**

**Early bird registration
ends July 31**
